Dear Inspector,

Tandridge Council: Local Plan – Response to Chief Executive’s Letter of 21 January 2022.

Thank you for your letter of 07 February 2022 giving your response to my letter of 21 January 2022 (Our ref TED51).

I set out in my letter of 21 January why this Council does not consider that withdrawal of the Local Plan is a viable or acceptable option.

You have provided the Council with a comprehensive assessment of what steps and work will need to be undertaken. The Council is very grateful to receive that assessment. The Planning Policy team are working through your assessment so that the resourcing of the work the Council will now need to undertake is fully understood.

The Council will be in touch in due course.

Yours faithfully,

David Ford
Chief Executive
